PRESENTATIONS

Jonathan Drapkin: Proposal for Downtown Revitalization Plan

Mr. Drapkin from Pattern for Progress is proposing to create a plan for the Downtown Revitalization on Center Street in Ellenville. This plan was originally approved by the Greenway. The original plan was renounced by the Village so that they could focus more on the master plan for Berme Park. Mr. Drapkin's request would be part of his work in supporting the Ellenville Million project. The approval of \$12,000 would allow him to create a plan for Center Street. Chair Lonstein asked if a plan is already set in motion and who will be executing the plan once Pattern completes the plan. Mr. Drapkin assured the board that he will be working with many people to create this and that he will put forth a couple of different options. Hector Rodriguez wanted to clarify if they would be using all \$12,000 for the project. Mr. Drapkin informed the board that they use landscape architects and other professionals so he would use all of the \$12,000. In conclusion, Mr. Drapkin thinks the project will take about 3 months to complete. He is hoping by spring to have something they can market.

Motion: Lisa Berger, seconded by Jim Maloney, made a motion for Pattern for Progress to create a

Downtown Revitalization Plan for Center Street in Ellenville in the amount of \$12,000.

Vote: The motion was adopted.

Discussion: Hector Rodriguez and Jim Maloney expressed interest in having Mr. Drapkin do a

walkthrough of Center Street together.

Hank Alicandri: EM Parks- Pavilions Project- Contract for Approval &

EM Grant Matching- D&H and O&W Heritage Trail- Contract for Approval

Mr. Alicandri presented on the contract for the EM Parks- Pavilion project and the D&H and O&W Heritage Trail. There are currently two pavilions that were built in the 70's. The plan would allow for them to be torn down and for two new 36 x 24 pavilions to be built. Chair Lonstein asked if phase 2 of the plan for Berme Road would have restrooms. Mr. Alicandri stated that bathrooms are still in the plan but not a part of this contract. Mr. Maloney suggested that gutters be added to the project contract.

Motion: Jim Maloney, seconded by Hector Rodriguez, made a motion to approve both the contract

for EM Parks- Pavilions and EM Grant Matching- D&H and O&W Heritage Trail.
